

## Antique Cameo Ring In 18k Gold

450 EUR

Period : 19th century

Condition : Parfait état

Material : Gold

### Description

This antique 18-karat gold ring features an oval cameo depicting an elegant woman. The woman, with her hair tied on top, smiles softly and wears a delicate pearl necklace, adding a touch of charm and timeless grace. A maker's mark certifies the quality of the 750 thousandths gold, ensuring the authenticity and value of this refined piece. The cameo, measuring 1.5 cm at its widest point and 1.1 cm at its narrowest point, is finely detailed, showcasing the careful craftsmanship of the period. Weighing 2.8g, this ring is lightweight yet substantial, providing comfortable wear. The size of the ring is 52, perfect for an elegant and refined finger.
