

## Old Medallion Pendant In 18 Carat Gold

950 EUR

Period : 19th century

Condition : Parfait état

Material : Gold

Length : 4

Width : 2

### Description

This 18-carat gold pendant, dating from the 19th century, is a true collector's item. Oval in shape and finely openwork, it offers a refined design that captures the elegance of its era. At the heart of this medallion, rays welcome the sunlight, creating an enchanting play of reflections. The openwork details add a dimension of lightness and sophistication, making this pendant a miniature work of art. With a length of 4 cm and a width of 2 cm, this piece of jewelry is perfectly proportioned to attract attention while remaining discreet. Weighing 1.9 grams, it is light and comfortable to wear.
