Description

We present this superb cup called Warwick from Antiquity. Ours has a higher quality than what we are used to seeing very often because it is a reduction of Achille COLLAS born in 1795 and died in 1859. He collaborated with the Barbedin Company which experienced a strong expansion after his death. Note the quality of this object, under the pedestal the stamp and the COLLAS mark, mechanical reduction. Weight 1.6 kg (E24)
