### Description

This elegant 18k gold signet ring offers the option of engraving your coat of arms, adding a personalized and aristocratic touch to this refined piece of jewelry. Equipped with two maker's marks, one guaranteeing the quality of the 750 thousandths gold and the other representing an eagle's head, this piece is a guarantee of authenticity and value. Weighing 3.7 grams, this signet ring is light and comfortable to wear. With a size of 52, it fits perfectly on a delicate finger. The slot for your family arms measures 1 cm wide by 1 cm long, providing an ideal surface for detailed engraving.
