

Black Forest Bear

450 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Width : 20 cm

Height : 23 cm

Depth : 15 cm

Description

We present this sculpture representing a bear holding a hood behind his back, emptying his pocket. From the 19th century we think of the Black Forest origin unless it is Bernese. It is superb in very good condition, note on the left paw a chip in the nail and he was certainly holding an object in his left paw because there is a hole, we do not have this object. Weight 925 gr. (E24)
