

Strasbourg 18th Century: Six Fillet Shell Spoons In Sterling Silver Vermeil, In Leather Case. 18

940 EUR

Period : 18th century

Condition : Très bon état

Material : Vermeil

Length : 14 cm

Description

Magnificent suite of six silver-gilt spoons dating from the 18th century.

The spoons are in vermeil, with a shell fillet model. The spoon is hemmed on the reverse.

The spoons only bear a small, illegible hallmark, so it is not possible to establish with certainty the provenance of these spoons even if this style with the hemmed spoon and the vermeil are characteristic of Strasbourg. There was a very similar Parisian production but much more confidential.

The spoons are in their original leather case embossed with flowers.
