## Provençal Hunting Buffet, 18th Century.

9 600 EUR

Period : 18th century

Condition : Bon état

Material : Walnut

Length : 171 cm

Height : 98 cm

Depth : 77 cm

### Description

This walnut hunting buffet is curved on three sides, it opens with two large framed doors, generously molded around the perimeter and provided with double flat strip panels, the flared sides are also equipped with large sinuous moldings and panels with double flat bands, the lower crosspiece on the facade is scalloped and sculpted with a large openwork shell from which combs and flowering branches emerge on either side, the false frame is decorated in its lower part with a shell and the uprights are carved with acanthus leaves and flowers, they end with volute feet, the rear feet are half volute. The piece of furniture is topped with a turquin blue marble top. In a good state of conservation, this sideboard has undergone only a few restorations, the lower rear crossbar has been changed and its floor reworked.
