Description

An unusual and very sophisticated vintage crystal art deco or art nouveau style bowl with multisided base, made by renowned crystal manufacturer Lalique, and signed on its base. At the centre of the bowl is a stylised flower, made up of wine-red 'petals', interspersed with the deep, cobalt blue that forms the base. This beautiful piece of multicoloured, handcrafted glass is a real design classic, and would make a wonderful ornament or trinket tray, or an unusual gift for a lover of fine French crystal.

Please note that there are some minor marks on the base.
