Description

Beautiful canvas from the beginning of the 20th century representing two fiery horses. Some small (really small restorations, see back of the painting). The canvas is quite large and decorative since it is a 30 Figure, i.e. 92 cm x 73 cm. It bears two signatures. Erd Porret who is the author of this signature work at the bottom right. the second at the bottom left, Adam corresponds to the author of the original painting painted by Franz Adam, a German painter of the 19th century. I am also attaching a photo, a variant of the painting executed by this painter. It must therefore be considered that I am selling a decorative work of good quality after Franz Adam.
