### Description

Superb and large crystal bottle mounted in solid silver dating from the end of the 19th century.

The body of the crystal bottle is circular with sides. The background is cut with a star pattern, a mark generally attributed to Baccarat.

The large frame is in solid silver in the Louis XVI style with laurel garlands and a guilloché background of wavelets strewn with dots.

The grip of the cap is particularly interesting because it is entirely covered in silver, forming a very massive frame.

The non-guilloché silver fillets are in vermeil.

The frame is hallmarked:
