

Suite Of 6 1970 Design Plates In Polycarbonate Artist Exhibition Colors /1

60 EUR

Signature : À déterminer

Period : 20th century

Condition : Très bon état

Material : Acrylic

Diameter : 20 cm

Description

Set of 6 polycarbonate plates in different colors with female face.

Very contrasting 1970 design.

These plates were sold as derivative products alongside an artist (?) exhibition in a gallery (distributor references on the back).

Diameters: 20 cm.

IN VERY GOOD SHAPE.

IMPORTANT: I have other series of identical plates (same origin and even very good condition): it is therefore possible to create larger series.

You can follow my gallery to be informed of new releases...
