Suite Of Four Restoration Period Armchairs

2 800 EUR

Period : 19th century
Condition : Très bon état
Material : Mahogany
Width : 60
Height : 91
Depth : 51

Description

Suite of four Restoration period armchairs in mahogany and mahogany veneer, the back is slightly reversed, the armrests with sticks rest on a console with palm leaves. The front feet are "hock" and the rear feet are "sabre". These four armchairs in good original condition have been completely stripped, restored and patinated. The upholstery work is entirely redone on straps, with horsehair and stitching points. The cover fabric is an aquaclean fabric from the publisher Casal, the finish is a double piping braid in matching colors. Armchairs completely refurbished for daily use. Seat height: 42 cm
