Description

Here is an oil on cardboard made by Mr. Garrec, it represents a rocky coast, probably in Brittany. The 20th century frame is of the Dutch type. It is beautifully made and in good general condition, we note some traces of wear and small spots on the paint, small gaps around the edge of the painting (when the canvas is replaced in its frame, these small gaps are not more visible). Our photos allow you to appreciate the quality of the work. For the condition, please detail the photos. Feel free to zoom in. The photos are an integral part of the description.
