1 300 EUR

Period : 20th century

Condition : Parfait état

Material : Solid wood

Width : 50

Height : 92

Depth : 52

### Description

Charming children's high chair in curved beech wood stamped THONET under the seat. This authentic chair has a double back, armrests and a cane seat. Note the sturdy wood strapping and very flared legs for great stability. Thonet is a German-Austrian company from the beginning of the 19th century, still in operation, famous for having invented the bentwood process which has since been copied many times but never equalled.

\*\*\*\*\* Period: Early 20th Century Excellent condition. Varnished finish. Additional photos available by clicking on the following link:
