Description

Solid walnut table with a top composed of a single top with half-round projecting angles, profiled with a corbin beak. In the belt, a large drawer has inside a solid walnut desk mounted on hinges and positioned on racks. On each side of the belt, we have two small drawers which can be pulled out using a brass button with a rosette on the front. The sides of this table are lined with refined wooden elements, recessed at the top and bottom on a base connecting the legs together with a light molding. This table rests on four spindle-shaped legs. ******** Period: Early 20th century Excellent condition after restoration in our workshop. Waxed finish.
