## André Arbus & Maison Véronèse Pair Of Feather Sconces In Murano Glass

2 200 EUR

Signature : André Arbus

Period : 20th century

Condition : Très bon état

Material : Glass

### Description

Very elegant pair of "Plume" wall lights by André ARBUS (1903-1969) produced by Maison Véronèse in collaboration with Barovier & Toso between 1946 and 1952, here in a large version.

Textured translucent white glass and central part in twisted glass with inclusions of gold particles.

Brass wall support with glass fixation by a corrugated ring.

The reverse of the glass feathers shows traces of handwork, the slight dimensional variations confirm the individual production.

Height 45cm

Width 13cm
