

18k Gold Mesh Bracelet

1 500 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Description

This mesh bracelet, of timeless elegance, is made in 18-carat gold and certified with a maker's mark (eagle's head) attesting to its superior quality.

With a length of 20 cm and a mesh width of 0.7 cm, it combines finesse and sophistication. The spring ring clasp ensures a secure closure while adding a discreet touch of refinement. Weighing 12.5 grams, this mesh bracelet is both sturdy and delicate, perfect for enhancing your wrist for any occasion. Whether for a casual day or an elegant evening, this 18k gold mesh bracelet adds a touch of luxury and charm to your style.
