

Lalique France. Dampierre Crystal Vase

250 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Diameter : 11.9

Height : 12.5

Description

Created in 1948 by Marc Lalique, this vase is decorated with birds sculpted in satin crystal. Through this vase, the House pays homage to two themes dear to René Lalique, Fauna and Flora. This spring piece takes us into a dreamlike universe, signaling a return to basics, and which responds to a desire for naturalness, authenticity and well-being.
