Description

Path under the snow with tall trees and a low winter sun on the horizon, as well as a small fence. Here, we clearly recognize the pointillist touch of the artist as well as his proximity to the work of Théo van Rijsselbergh. Georges Lemmen (1865-1916) Painter of figures, nudes, portraits, interiors, urban landscapes, still life, flowers painter in gouache, designer engraver lithographer, poster height, tapestry cardboard, ceramic mosaic. Neo impressionists.
