Description

This magnificent 18-carat yellow gold wedding band embodies delicate, timeless elegance. Adorned with 7 brilliant-cut zirconium stones, each stone is carefully set by four claws, allowing the stone to catch and reflect light from every angle. The ring's half-turn adds a note of subtlety and refinement, perfect for symbolizing eternal love.

With a weight of 1.9 grams and a finger circumference of 47, this ring offers a comfortable, lightweight fit, yet remains a remarkable piece of brilliance and beauty. The brilliantly colored stones are arranged to create a visual harmony that draws the eye and delights the heart.
