20th Century Popular Art Pedestal Table

2 800 EUR

Period : 20th century

Condition : Etat d'usage

Material : Oak

Diameter : 105 cm

Height : 76 cm

Description

Very astonishing popular art pedestal table from the early 20th century. In oak, it is made up of a top bordered by a frieze of gadroons and at a distance from a naively guilloché twisted belt. Twisted central axis which ends in a quadripod base sculpted with facing gadroons forming ears of corn. Expression of unique work influenced by ethnicity. It is in two parts, slightly warped top and some scratches.
