Multicolored Agathe Necklace

195 EUR

Period : 20th century

Condition : Parfait état

Material : Semi precious stone

Description

This agate necklace is a remarkable piece of jewelry, adorned with purple agate beads and white coral beads. This double-tiered necklace is mounted on a double purple wire, offering a look that is both sophisticated and delicate. Each bead is finely faceted, adding a touch of shine and sparkle. With a height of 36 cm, this unique and elegant necklace will enhance your outfits with a touch of color and refinement.
