Black Onyx And Coral Necklace

200 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Height : 50

Description

This long necklace offers the possibility of being worn twice, adapting to your desires and your outfits. It is adorned with round onyx beads and spun coral branches, creating a striking contrast between the depth of onyx and the liveliness of coral. Modern and original, this necklace will bring character and a touch of sophistication to any outfit.
