Head Of A Woman (circa 1920)

190 EUR

Period : 20th century

Condition : En l'etat

Material : Plaster

Height : 40

Description

Head of a womanCirca 1920Plaster with a terracotta coloured finishH. 40 cmUnsignedSome wear to the finishHead of a woman dating from the 1920s with a very distinct Renaissance haircut - curled at the sides and the back. A sfumato effect is not easy to achieve in sculpture as successfully as it is here, and the air of mystery around this woman and the play of light and shadow is superbly done.
