

Vase To Emile Gallé (1846-1904)

1 500 EUR

Signature : Gallé Emile (Nancy 1846-1904)

Period : 20th century

Condition : Très bon état

Material : Glass paste

Diameter : 14,5

Height : 26

Description

Flowers are shown in various stages of bloom, from bud to full-blown anemone. They émerge from a leafy clump at the base of the vase. The dominant color is mauve on an opalescent yellow background. Diameter of the neck and base: 8 cm. Signature 'tremblée', circa 1920. Very slight chip on the base. Beautiful acid etching and colors absorb the light beautifully.
