Description

Hot water bottle lamp from Lucien Gau in gilded bronze and painted sheet metal, first part of the 20th century. In the style of the empire, the base simulates an antique oil lamp topped with an eagle's head. The sliding lampshade is decorated with gold patterns on a nicely cracked green background. Beautiful bronze carving worthy of luxury manufacturing. Works perfectly, long wire length, switch present. Dimensions Height 60.5 cm Total width 35 cm Total depth 23.5 cm
