### Description

Amphora vase with double handles in white porcelain with a decoration of birds and butterflies with gold trim around the contour of the neck and handles. The whole is entirely hand painted. This gravy boat comes from the HEREND porcelain factory in HUNGARY, ROTHSCHILD bird collection. This luxury Hungarian porcelain factory founded in 1826 won over the European aristocracy for the quality and originality of its creations. Even today, it stands out by relying on unique know-how, thanks to 200 painters working in its workshops. Marks on the back Very good condition, slight wear. (see photos) Diameter: 13 cm Height: 33 cm
