Description

Discover a rare and precious collector's item: this watch holder in gilded bronze and red tortoiseshell, dating from the 18th century. A true piece of history, it combines elegance and sophistication, capturing the essence of the craftsmanship of the time. Despite a missing foot, this watch holder remains stable and has a unique charm. Its rotating top reveals an interior compartment lined with red velvet, specially designed to accommodate and protect your pocket watch. With its impressive dimensions of 33.5 cm in height, 16 cm in width, and an opening of 14.3 cm in diameter, it offers generous space to showcase your watch. (Watch not included.)
