Description

Discover a watch holder with rustic and authentic charm, typical of the popular art style.
Hand-carved with remarkable attention to detail, it features openwork patterns of clovers, hearts, spades and diamonds, symbolizing luck and timeless elegance. This watch holder is equipped with an adjustable stud, allowing you to position your pocket watch at the desired height. With a height of 30.5 cm, a width of 18.3 cm and an opening of 6 cm in diameter for the watch, it offers the perfect space to display and protect your watch treasure. Its depth of 4.5 cm ensures sturdy stability, while a pre-established hole on the back allows it to be easily hung on the wall, adding a unique decorative touch to your interior. Let yourself be seduced by the authenticity and beauty of this sculpted watch holder, a
