Art Deco Period Architect's Table

2 900 EUR

Period : 20th century

Condition : Parfait état

Material : Cast iron

Description

Architect's table from the 1930s in cast iron, oak and mahogany in perfect working order.

The height-adjustable top thanks to a counterweight system operated by pedals, can be tilted into a multitude of positions by operating the handles located under the top.

The item is complete in its totally original condition with no additions or modifications.

Given the weight and size, this piece of furniture will be dismantled, transported and reinstalled by us.

Thank you for your visit.
