## Description

Very large and beautiful drawing, pastel with an incredible color effect from the watercolourist REINELT,Willy Reinelt is a 20th century painter, known for his works sold at auction, including gouaches such as "Le Cheval Attelé". The information available on his biography is limited, but his works have been presented in auctions, indicating some recognition in the artistic world.A beautifully executed elongated nude, the wooden frame is old and the combination is perfect.The frame has some shortcomings that do not, however, compromise the overall visual impact.This work is really mesmerizing and its curves are superb.Size with frame 130 x 86 cmWithout frame 115 x 72 cm.The work is signed at the bottom left and dated 43.
