

Old Double Oak Door Woodwork Doors

2 800 EUR

Period : 19th century

Condition : Très bon état

Material : Oak

Width : 120 cm

Height : 260 cm

Description

Superb old double door in a beautiful light oak. Obviously a magnificent decorative element, as a front door but also in interior decoration, as well in the context of an old house as an old or modern Parisian apartment for example.

An object that you can see twenty times a day and be seduced each time.

Dimensions: height 260 cm width 2 times 60 cm
