Height : 20

Description

Fiber cement planter called the Biasca model or "elephant's ear" in fiber cement made by Willy Guhl (1915-2004) in the 1950s. Willy Guhl is the pioneer of Swiss industrial design. Eternit, a fiber cement developed for the manufacture of roofs and pipes, interests Willy Guhl for its fibrous texture resistant to traction, breakage and climatic variations. Our planter is sold as is (presence of shocks). Around 1950
