

Box In Magnifying Glass And Wrought Iron, 18th Century

1 400 EUR

Period : 18th century

Condition : Très bon état

Material : Other

Width : 29

Height : 12.5

Depth : 22

Description

Our box is distinguished by the use of quality materials and ornamentation. Burl, a type of precious wood, is often used for its unique natural patterns, while wrought iron adds a touch of sturdiness and elegance to the piece.
