Description

Swedish Kilim rug in modern Scandinavian style design from the 1960s.

With its geometric design and bohemian vibe, this hand-woven Swedish wool Kilim rug perfectly embodies the simplicity of modern Scandinavian style. The abraded gray field has a repeating geometric pattern across the entire surface, composed of tiered diamonds decorated with cross motifs. Gradient brushstrokes run from one edge to the other.

The mix of colors harmonize with each other, creating a perfect design and exuding function and versatility.

Inspired by Märta Måås-Fjetterström, this flatwoven kilim rug wonderfully embodies the vibrations rendered in varied shades.
