the wool a beautiful shine. Not far from Sanandaj, the region of finely knotted Senneh carpets, is the small town of Bijar which, with its surrounding villages, produces what are undoubtedly the heaviest and strongest carpets in Persia. "Heavy and thick, Bijar rugs are difficult to handle but sturdy for eternity." Velvet, fringes and selvages in very good condition. Our model has a classic decoration with a pale blue and floral hexagonal medallion also found on the Senneh. The field presents in fresh and luminous shades a very elaborate carpet of stylized flowers on a scarlet red background. The finely knotted midnight blue borders are adorned with shades, such as apricot, old pink, almond green and red. Kilim finish at both ends followed by fringes in very good condition, the thick velvet is particularly soft, the edges are impeccable. ## Note the soft and fresh colors of this rug which harmonize perfectly with the floral decor. A durable, quality rug, which with its colors can be placed anywhere in a house. Very very large passage carpet. Reinforcement strips sewn later under the edges to protect it.
