Old Travel Icon In Enameled Bronze From The 19th Century - Protection

500 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

This ancient travel icon from the 19th century is made of bronze, giving it exceptional beauty and durability. Orthodox travel icons were used by worshipers to carry a sacred representation with them on their travels, providing protection and constant spiritual connection. The icon features meticulous craftsmanship with intricate details depicting religious scenes and sacred figures, typical of Orthodox iconography. The colors of the enamel, despite the passage of time, retain their vibrant intensity, highlighting the key elements of the images represented. Characteristics: Material: Bronze Period: 19th century. Dimensions: [Specify dimensions if available]. Usage: Travel icon. This icon is not only an object of devotion, but also a work of art and history that reflects the rich spiritual and
