

Ironwood Sculpture (aïto)

450 EUR

Period : 20th century

Condition : Bon état

Material : Solid wood

Height : 85 cm

Description

Very beautiful wooden statue from the islands (Filaos, known as ironwood in Polynesia, or. Tau) Ironwood, Filao or 'Aito (Casuarina equisetifolia) is a native tree in Polynesia which owes its Tahitian name of 'Aito (warrior) to its resistant wood, very hard and very difficult to work.

Very elongated face in the spirit of Modigliani in my opinion, good condition, height 85 cm.

Wisdom and serenity emerge from this sculpture...For any information 0778337598
