

Ancient Icon

300 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Width : 22,5 cm

Height : 27 cm

Description

We present for sale this ancient icon, perhaps from the 18th or 19th century. She would be Russian. We did a test, there are apparently beautiful remains of gilding, at the height of the face, there is certainly a lack which must have appeared in the form of an oreola. Sold as is.
Weight 650 gr (E24)
