Spring: The figure has a few small chips on several leaves, which are only visible under magnification.

Summer: There are a few minor chips and glues on the spikelets that are barely noticeable.

Apart from these minor issues, the condition of all figures is flawless, with colors and glaze that give the appearance of brand new figures. This is a rare variant, and even rarer is to find the entire "Four Seasons" set in such excellent condition.

Please look carefully at the photos - they are part of the description. The item will be sent fully tracked and insured. Please note the cost of shipping includes labor, packaging, and postage. UK delivery is £20. Upon request, we are willing to provide a quote for shipping outside of the UK.
