

Paperweight In Onyx And Cloisonné Enamels

75 EUR

Period : 19th century

Condition : Etat d'usage

Material : Stone

Description

Paper weight in green onyx veined with red, topped with a ring in cloisonné enamels and a blooming fretel in gilded bronze from the Napoleon III period. It shows small wear: one of the veins of the onyx base has a very slight visible lack in the photos, not significant, the gilding of the fretel is worn, but it nevertheless remains a very beautiful object for your office. Shipping 5EUR.
