Oil on canvas bearing the monogram VR (VAN RYSSELBERGHE) lower left. This is undoubtedly a study of the female character on the far right for one of the versions of the painting Bathers at Cap Bénat. The painting has restorations at the level of the knees, the right forearm, and at the level of the pellets that we see on the frame. We see them in Wood's lamp. We also see that the VR monogram is not added. This painting was not purchased at public sale. For further information you can contact me. Frame dimensions 38 x 55 cm.
