

Beautiful Wall Or Reflector Candlestick, Silvered Bronze, Amours, 19th Century Or Earlier

285 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

With a beautiful Louis XIV inspiration, here is a beautiful wall candle holder or perhaps reflector. In bronze or copper, it is entirely silvered and ornate with a decoration of cupids, birds, garlands of leaves and flowers with a central coat of arms. The candlestick, held by a stylized branch, was unfortunately fit for electricity.

Good general condition, no break or major flaw. Note all the same: a screw changed inside the candle holder creating a play, holes for electrical assembly in the candle holder, the bobèche, and some traces of wear on the silvering.. Thank you for looking carefully my detailed photos, I'm not hiding anything!

Dimensions: 25 x 17cm.

For each purchase, you will find an invoice for the total amount less shipping costs, as well as my business card, to attach with it. My packages are studied for each object, and protected as required with professional and/or recovery materials. Objects worth less than 1000 euros will be taken care of by colissimo. Items worth between 1000 and 5000 euros will be handled by Chronopost. I can also arrange hand delivery for certain items to be delivered to Paris and French merchant unpackings and those exceeding 5000 euros, otherwise I would use a carrier. Please do not hesitate to get in touch with any additional questions
