Description

This is a great deal for fans of Italian design and vintage lighting. The Flamingo model by Fridolin Naef, produced by Luxo in the 1980s, is in fact an emblematic example of Italian postmodern design. The unique flexibility and versatility of this lamp, inspired by flamingos, make this piece both functional and artistic.Design and functionality:Inspiration: the connected joints and large counterweight that evoke a pink flamingo, creating unique flexibility.Versatility: The ability to create countless positions and easily change the look and location of the light.Rotating Base: The rotating platform integrated into the circular base allows the complete rotation of the lamp.Condition and authenticity:The lamp is in excellent condition, which is key for collectors.The presence of the original brand
