Description

elegant 19th century French mahogany pedestal desk with the central part that lifts.

Very beautiful desk with pedestals which has been worked on both sides which allows it to be placed in the middle of a room or against a wall.

The desk is composed of three drawers in the belt and two boxes with three drawers

Very beautiful molding work on the drawers

It has an interesting dimension since it is not too large, but it can be used as everyday office.

height below the belt of 65cm. This allows you to sit comfortably.

(very often too low)

The top is covered with a black leather with Directoire decoration with golden roulette. The desk is called a three leathers since the leather is in three parts which is very elegant. It is its original leather which has a beautiful patina

Very good quality desk.
