Description

Discover the timeless elegance of this magnificent cultured white pearl necklace. Made up of 74 pearls with a diameter of 7.5 mm, this necklace is distinguished by the exceptional quality of its pearls. Each of them features a superb pink pearly color, bringing a touch of softness and refinement to the whole. The pearls, strung on a new thread, ensure not only the beauty of the necklace but also its durability and solidity. The 18-karat gold clasp, doubled for added security, ensures that this piece of jewelry will stay in place in all circumstances. This clasp, certified by a maker's mark, combines security and sophistication. With a length of 60 cm when open, this necklace is worn gracefully, delicately hugging your neck. Whether for a special occasion or to add a statement piece to your
