650 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Width : 46 cms au dossier / 51 cms aux pieds

Height : 87 cms

Depth : 45 cms à l'assise

Description

Pair of armchairs in cherry wood. The curved backrest is formed by a lower crossbar surmounted by a wide vertical strip flanked by two columns supporting a semicircular upper crossbar. The slightly curved armrests rest on a bottom upright support. The seat is upholstered with a quality cotton fabric. The armchairs rest on four saber legs, connected by bars turned on three sides and a large front crosspiece.
