Pretty Carved Wooden Stick, Folk Art 1902, Faces And Grimaces, European

185 EUR

Period : 20th century

Condition : Bon état

Material : Solid wood

Description

Very pretty little stick, unfortunately shortened. It perfectly follows the movement of the sinuous branch used, probably a birch, and is nicely carved into the hollow of 3 faces with different grimaces. Marked on the back U + (death cross) O and dated 1902. Applied with varnish over its entire surface.
Unfortunately shortened due to a break at the base, slight wear on the varnish, please look carefully at my detailed photos, I'm not hiding anything!
European working, probably French, dating from the very beginning of the 20th century, dated 1902.
Dimensions: 72.5cm x 3.5cm at the widest

For each purchase, you will find an invoice for the total amount less shipping costs, as well as my business card, to attach with it. My packages are studied for each object, and protected as required with professional and/or recovery materials. Objects worth less than 1000 euros will be taken care of by colissimo. Items worth between 1000 and 5000 euros will be handled by Chronopost. I can also arrange hand delivery for certain items to be delivered to Paris and French merchant unpackings and those exceeding 5000 euros, otherwise I would use a carrier. Please do not hesitate to get in touch with any additional questions
