Ring in platinum (mascaron head hallmark) and 750/°° white gold (18 KT, owl hallmark), decorated in its center with a beautiful sapphire cabochon with a deep and velvety color. Its beautiful curve gives it depth and shine, while creating a general ball ring effect. This sapphire is prong-set in a visual rendering of lightness, in the center of palmettes adorned with 8/8-cut diamonds, finely openworked and at the edges of pearl settings, arranged in a gradient in an arrangement evocative of Art Deco jewelry. The finesse of the creation of this ring can also be appreciated on its edge by the delicate carvings of plant motifs and flowers near the sapphire.
