

## Pair Of Nubian Polychrome Ceramic Torchère

2 500 EUR

Period : 20th century

Condition : Restauré

Material : Ceramic

Height : 1m80

### Description

This magnificent pair of ceramic torchieres depicts richly dressed Nubian figures holding five-branched candlesticks. Each statue is painted with vibrant, detailed colors, showcasing exquisitely patterned costumes, consisting of colorful jackets, striped pants and black boots. The figures are depicted in an elegant posture, one arm raised high to support the candlesticks decorated with golden leaves and flowers, which add a touch of majesty to the whole. The bases on which the statues rest are cylindrical, decorated with garlands and classical motifs, accentuating the opulent and baroque character of these works of art. This pair of Nubian torchieres is not only a striking decorative piece, but also a testament to the craftsmanship and style of the past, evoking an era of grandeur and exoticism.
